GRADUATE JOB OFFER IN THE TRANSPORT RESEARCH CENTER (TRANSyT) AT UNIVERSIDAD POLITÉCNICA DE MADRID (UPM)

17/07/2025. The Transport Research Center (TRANSyT) <https://transyt.upm.es> of the UPM, leader in mobility research in Spain, offers **one-year researcher contracts** in the framework of a national RDI project in the topic of **climate change on transport infrastructures**.

Candidates must hold at least a Master's degree on Engineering, Environmental Sciences, Geography or Sciences (in general)

For the selection of candidates, the following **criteria** will be considered:

1. Curriculum vitae and academic report.
2. Motivation letter
3. Candidates' knowledge of Spanish and English languages (work will be mainly done in Spanish)
4. Knowledge of Geographical Information Systems, programming (Python, R, etc.).
5. Interest in publishing scientific articles.

The salary range will be agreed with the candidate depending on the candidate's CV, experience and knowledge. The candidate should join TRANSyT around October 2025.

Applicants, send before **September 5th, 2025**, your **CV and Motivation Letter** with subject line **EDACCIT-Predoc** to:
